A. Membership and Activities

Immediately following the apprehension of ELIJAH MOHAMMED By Bureau Agents on September 20, 1942, in Chicago and on that same date, MOHAMMED advised SAs of the Chicago Office that he first became acquainted with ISLAM in 1930 in Detroit, Michigan. At that time, according to MOHAMMED, he embraced Islam after being convinced that his teacher, A. WALLACE FARD MOHAMMED (no relation) was Allah. Thereafter, according to MOHAMMED, he studied daily under FARD'S tutelage and when FARD was ordered to leave Detroit, MOHAMMED was designated by FARD as Allah's apostle or Prophet in North America. MOHAMMED continued that FARD, whom he described as Allah, had returned to the City of Mecca and that he, MOHAMMED preached Islam as Allah's apostle. Shortly afterward, according to MOHAMMED'S statement, he was ordered by the Police to leave Detroit and he proceeded to Chicago, Illinois, where in 1932, he successfully established Temple Number 2 of the Islam Religion.

Under the direction of its "Prophet," Elijah Muhammad, the Muslim Cult of Islam has established temples in approximately six hundred leading cities in the United States with national headquarters in Chicago. This Cult continues to foster a program of vicious racial hatred, fanned continuously by the fanatical preachings of Muhammad and his ministers, bitterly denouncing the United States Government, its flag and leaders, and proclaiming the eventual destruction of this country and the white people thereof. Apparently, the Muslim Cult of Islam also continues to counsel young Cult members to evade registration under the Selective Service Act or service in the United States Armed Forces as required under the Act.

Let to Dept
8-12-54

The fanaticism of MCI members appears to be of such an extreme degree as to render possible an outbreak of violence by Cult members, which might be similar in nature to the recently attempted assassination of members of the House of Representatives by Puerto Rican Nationalists.

Evasmuch as this matter is again being reviewed by this Division, it is requested that you re-evaluate the informants who have been heretofore designated as unavailable to determine whether or not they can be made available at this time for the purpose of testifying in connection with any contemplated prosecution directed against the Cult or its members. It is requested that you advise this Division of the results of your re-evaluation.

INFORMATION CONCERNING

"I would like to secure some information if
at all possible and if the disclosing of such
information would not constitute a breach of
propriety. If my inquiry has been addressed to
the wrong agency, please forward it to the proper
one.

"A bit of background will perhaps be
enlightening and will serve to make clear my
motives. I recently attended my first and last
services of an Islamic society in this country
called Temple of Muhammad. I was appalled: As
an American citizen, as a Christian, and as an
American Negro, in that order.

"Since then I have been told by a Christian
friend that he knew the leader of the Cult, during
1944-'45 in Casablanca, as a black marketer and
an underworld character of diverse sorts. The man
(the leader) referred to is one Elijah Muhammad
who makes his headquarters here in Chicago. The
information I seek is this, "Is the allegation
made by my friend true?"

DETAILS:

All confidential informants utilized in this report and referred to by "T" symbols have furnished reliable information in the past unless otherwise indicated.

The following organization, which has been utilized in this report and which has not been designated pursuant to Executive Order 10450, is characterized in the attached Appendix pages:

Muslim Cult of Islam

It is noted that the surname of ELIJAH MOHAMMED is spelled variously as "MOHAMMED" and "MUHAMMAD." An affidavit on file at the Cook County Recorders Office, Chicago, Illinois, filed November 29, 1955, concerning the corporate name "Holy Temple of Islam" reflects the surname as "MOHAMMED" as does the June, 1956, telephone directory. The surname "MUHAMMAD" appears on various temples of the Temple of Islam and in the column "Mr. Muhammad Speaks" appearing in the "Pittsburgh Courier," a weekly newspaper.

Interviewed by SAs [redacted] and [redacted] on October 17, 1956, JAMES ANDERSON, Assistant Minister, Muhammad Temple No. 2, Chicago, Illinois, advised that the correct title of ELIJAH MOHAMMED is "Messenger of Allah." He also stated that the preferred spelling of the Messenger's surname is "MUHAMMAD" but that it is also spelled "MOHAMMED."

F. MISCELLANEOUS

[REDACTED] State Bureau of Motor Registration, Springfield, Illinois, advised on June 11, 1956, that records reflect that 1956 Illinois license 784-208 was issued to CLARA MOHAMMED, 4847 South Woodlawn Avenue, Chicago, Illinois, for a 1954 Cadillac four-door sedan, Motor Number 5460-69722. Title information for this auto reflects no lien at the time of original application for Illinois title in 1954 and there is no record of CLARA MOHAMMED applying for corrected title to record a lien since the original title was issued. Title records reflect an Illinois title R1059219 in the name of ELIJAH MOHAMMED, 4847 South Woodlawn Avenue, Chicago, Illinois, for a 1955 Cadillac,

b2
b7D

b7C

CG 100-6989

Motor Number 5562-104726. A lien of \$2,113.44 was held by Associates Discount Corporation, 520 North Michigan Avenue, Chicago, Illinois, at the time of purchase.

Title records also reflect Illinois title S178030 in the name of ELIJAH MOHAMMED, above address, for a 1956 Cadillac Coupe Deville, Motor Number 5662-026785. No lien was recorded against this auto.

Previous investigation has developed that CLARA MOHAMMED is the wife of ELIJAH MOHAMMED.

On August 7, 1956, Special Agents of the FBI observed a 1954 black four-door Cadillac, bearing 1956 Illinois license 784-208, parked in front of the University of Islam and Temple of Islam, Muhammad's Temple No. 2, 5333-35 South Greenwood Avenue. Later on the same date these agents observed ELIJAH MOHAMMED in this vehicle.

II. CONNECTIONS WITH THE
MUSLIM CULT OF ISLAM
(MCI)

A. [REDACTED]

b2 b7D [REDACTED]

B. INTERVIEW OF SUBJECT

ELIJAH MOHAMMED was interviewed on June 7, 1956, by SAs [REDACTED] and [REDACTED] in connection with another matter. b7C

MOHAMMED advised that each individual member of the Temple of Islam decides for himself regarding registering

CG 100-6989.

for Selective Service and entering the Armed Forces. He stated that the organization of Islam teaches the members to obey authority and that each member must obey his government and make his government proud of him. MOHAMMED stated that a member can return to the Temple of Islam after being discharged from military service as long as he leads a righteous life from the time he is discharged from the service. MOHAMMED related that a member of the Temple of Islam who enters the Armed Forces of the United States is not considered and does not maintain membership in the Temple of Islam while he is serving in the Armed Forces because the Temple of Islam does not exercise any control over him.

MOHAMMED stated that the aims of the Temple of Islam are to convert people to Islam, which he described as "peace" or the entire submission to the will of God. He stated that it is the aim of the Temple of Islam to make people better themselves, and that if they are successful in getting individuals into Islam, they can force them to reform in spite of themselves and thereby make their government proud of them. He stated that he looked around and saw his people degrading themselves by smoking and drinking and immorality, and in so doing were looked down upon. MOHAMMED stated that if he could convert "these sinners," they would be able to regain their dignity and would not be looked down upon.

MOHAMMED stated that the Temple of Islam has followers in all principal cities on the East Coast and in some of the smaller cities meetings were conducted on a house to house basis. He stated that the Temple of Islam has been in operation for 25 years and is composed of the following three parts:

- A. Fruit of Islam (FOI)
- B. Muslim Girls Training (MGT)
- C. Girls Civilization Class (GCC)

CG 100-6989

According to MOHAMMED, the FOI was composed of male members of the Temple of Islam solely for the purpose of receiving instructions concerning the history of Islam and also for receiving instructions on how to keep their bodies fit through proper exercise and foods. He stated that the members also receive instructions concerning mathematics and general education courses.

The MGT is made up of the women of the Temple of Islam who received instructions in all types of homemaking, such as cooking and sewing.

MOHAMMED stated that the GCC is composed of women of the Temple of Islam who receive instruction concerning the Temple of Islam and instruction on various educational and mathematical subjects.

Concluding, MOHAMMED advised that he has no idea of the total number of followers of Islam, but believes that the Chicago Temple contains approximately 400 to 500 members.

Interviewed by SAs [redacted] and [redacted] on June 7, 1956, CLARENCE A. BARNES, 614 East 71st Street, Chicago, advised that he was a secretary for Temple No. 2, and that it was wrong for any member of the Temple of Islam to serve in the Armed Forces of the United States. He stated that to do so would be against the teachings of Islam. BARNES stated that the "United States Government is our enemy and has denied us freedom, justice and equality." BARNES pointed to the interviewing agents and remarked that they were his enemy. He stated that the United States is against the teachings of Islam, and that it would be silly for a member of the Temple of Islam to go into the Armed Forces because in so doing, he would be actually fighting against himself.

CG 100-6989

C. ADVOCACY OF OVERTHROW
OF THE GOVERNMENT BY
FORCE OR VIOLENCE

[REDACTED]

b2
b7D

[REDACTED]

Interviewed by Special Agents of the FBI on December 11, 1956, JOHN LEE HATCHETT, a close associate of ELIJAH MOHAMMED, said that never to his recollection had he heard MOHAMMED make any statement that indicates he advocates the overthrow of the government of the United States. HATCHETT said MOHAMMED has insisted that all followers obey the laws of the United States. He said the Nation of Islam strictly prohibits its members from possessing weapons of any kind, such as firearms or pen knives.

HATCHETT advised that if any of the members in speeches at the Temple make statements against the United States, these people are misinformed and do not speak the true teachings of the Nation of Islam and ELIJAH MOHAMMED.

On December 11, 1956, JOHN LEE HATCHETT (original name JOHN HASSAN) was interviewed by SAs [REDACTED] and [REDACTED] at Chicago, Illinois. HATCHETT said that being one of the original followers of ELIJAH MOHAMMED since approximately 1932, he is presently very closely associated with him and had traveled extensively in this country with MOHAMMED in connection with affairs of the Nation of Islam. b7c

HATCHETT said Temple No. 2 does not maintain a bank account, but meets all financial obligations in cash. He said the following property is owned by the Temple of Islam even though the record reflects the names of ELIJAH MOHAMMED and JOHN HASSAN:

ELIJAH MOHAMMED's residence
4847 South Woodlawn
Chicago, Illinois

Temple No. 2 Bakery
3117 South Wentworth
Chicago

Temple No. 2 Grocery Store
and Restaurant
614-16 East 71st Street
Chicago

160 acre farm located in
Michigan, Route #1, White
Cloud, Michigan

According to HATCHETT, ELIJAH MOHAMMED is a true present day apostle or Messenger of Allah, just as MOSES and JESUS were in the years past. He said MOHAMMED is a man of very little formal education, but is a man of unequalled knowledge of the teachings of ALLAH. HATCHETT related that in his very close association with MOHAMMED, he had never noticed the slightest reason to question his

complete sincerity and devotion to the Nation of Islam. He said the members, through their meager contributions to the Temple, purchased the present residence of ELIJAH MOHAMMED because they felt that he deserved such a residence. HATCHETT said that MOHAMMED derives his total income from the personal contributions of his followers.

The September 1, 1956, Detroit edition, page 24, column one, of the "Pittsburgh Courier", in an article entitled "Mr. Muhammad Speaks", there is stated that "..... regardless of the efforts to put out the light of truth (Islam) today, there efforts will be a complete failure. Think over the slavery teachings of Christianity, the three Gods, and the worship of Mary, the disciples of Jesus, the many gods of Budhism; the Incarnation taught by both, and other ignorant practices. Islam teaches an eternal heaven for the righteous, but hell is not eternal."

"These (heaven and hell) are not necessary places but conditions. Islam teaches that if a brother kills a brother the murderer must be killed, or anyone that kills a Muslim."

In MOHAMMED's column appearing in the September 22, 1956, New York edition of the "Pittsburgh Courier", page 2, columns 4 and 5, it is stated that "There are several prisoners writing to me, wanting to accept Islam. Just send your slave name saying that you want to join on to your own Holy Nation of Islam and to serve

and obey Allah, and his apostle. When you are free, report to one of our nearest temples, but be sure it is one that I am the leader."

"In the meantime we will record your name here on our books as a registered Muslim."

In MOHAMMED's article appearing in the November 17, 1956, New York edition of the "Pittsburgh Courier", Magazine Section, page 2, it is stated "Let the world ponder--what does history show that the white man can call his own outside of Europe? However, they spread out and over into the homes of black mankind of the earth taking by armed force the black peoples' home and making slaves of them for many centuries."

"The day has arrived and the TIME IS AT HAND. Every man to his own. It is the days of Allah (god) and the people of peace MUST HAVE PEACE. The trouble makers must be punished and brought to an end so they will never be able to give trouble to him."

"Many shall suffer because of the corruption that this world has brought and is bringing upon innocent people. LET NOT YOUR FLIGHT BE IN THE WINTER. War throws people out of homes; it is a greivens thing. A HOLY WAR IS TO BE DREADED."

This article invited readers to join Islam and send their name to MUHAMMAD's Temple Number 2, Inc., 5335 Greenwood Avenue, Chicago 15, Illinois.

New York, contains an article on pages 19 to 27 entitled "The Rise of Elijah Muhammad". According to this article NAKEM obtained from MUHAMMAD a written statement concerning his personal views. They are herein set out as they appear in this article:

"Allah came to us from the Holy City of Mecca, Arabia, in 1930. He used the name ~~"Wallace D. Fard,"~~ often signing it as ~~"W. D. Fard"~~ in the third year (1933). He also signed his name as ~~"W. F. Muhammad,"~~ which stands for ~~"Wallace Fard Muhammad."~~ He came alone. He began teaching us the knowledge of ourselves, of God and the devil, the measurement of the Earth and other planets, and about the civilizations of some of the planets other than Earth. He measured and weighed the Earth and its water, and gave us the History of the Moon and of the two Nations that dominate the Earth, Black and White. He told us of the exact birth of the white race, and the name of their God who made them, and how, and the end of their time; and of Judgement, how it would begin and end.

"He taught us the truth of how we were made slaves, and how we are being kept in slavery by the slavemasters' children. He declared the doom of America, for her evils to us was past due, and that she is number ONE to be destroyed; but her Judgement could not take place until we hear the TRUTH. He declared that we were without the knowledge of self or anyone else, and had been made blind, deaf and dumb by this white race of people, and that we must return to our own people, our God and His Religion of Peace (Islam)--the Religion of the Prophets. We must give up the slave names of

b7c

our slavemasters and accept the name of Allah (God), or one of the Divine Attributes. Give up all evil doings and practices, and do righteousness or be destroyed from the face of the Earth. He taught us that the slavemasters had taught us to eat the wrong food, and that this wrong food is the cause of our sickness and short span of life. He has declared that He would heal us, and seat us in heaven at once if we would submit to Him, otherwise He would chastise us with a severe chastisement until we did submit, and that He was able to force the whole world into submission to His Will. He said that He loved us (the so-called Negroes), His Lost and Found people, so well that He would eat rattlesnakes to free us, if necessary, and that He has power over all things.

He said
"I asked Him: "Who are you, and what is your real name?" He said: "I am the One the World has been looking for to come for the past two hundred years." I said to Him again: "What is your name?" He said "My name is Mahdi, I am God, I came to Guide you into the right path that you may be successful and see the Hereafter." He described the destruction of the world with bombs, poison gas, and finally fire that would consume and destroy everything of the present world. Not anything of it (the present world of white mankind) would be left. Those escaping the destruction would not be allowed to carry anything of it out with them. He pointed out a destructive, dreadful looking plane that is made like a wheel in the sky today. It is a half-mile by a half-mile square; it is a human built planet. I won't go into all

of the details here, but it is up there and can be seen twice a week, it is no secret. Ezekiel saw it a long time ago, it was built for the purpose of destroying the present world. He also hinted at plaguing the world with rain, snow, hail and earthquakes. He spoke with authority, not as one who is under authority but as one self-independent. He said this world's time was out in 1914, but could get extension of time depending upon their treatment of the righteous. He declared that there can be no Judgement until we (the so-called Negroes) hear of Islam, whether we accept it or not. This includes the History of the world and a knowledge of God and the devil. He condemned the teachings of God not being a man as a lie from the devils for the past six thousand years, and said that Christianity was a Religion organized and backed by the devils for the purpose of making slaves of Black mankind. I bear witness that it sure has enslaved my people here in America 100%. He chose me to bear the Message of Life (Islam) to my people here. Islam is our Salvation, it removes fear, grief and sorrow from any believer, and it brings to us peace of mind and contentment. The greatest hindrance to the TRUTH to our people is the preacher of Christianity. He won't accept it, nor is he content to let others alone who are trying to accept the TRUTH. He is the man that stands in the way of the Salvation of his people, and as soon as the people awaken to the knowledge of this man in their way to God, Freedom, Justice and Equality and stop following him the sooner they will be in Heaven while they live. The preachers are afraid of the TRUTH.

"I have been raised and chosen by God to teach and lead you to Him, that you may see the Hereafter and you may do well to follow and obey me....."

MUSLIM CULT OF ISLAM (MCI)

A source, who has furnished reliable information in the past, advised on May 11, 1956 that the MCI is an organization composed entirely of Negroes, which was reportedly organized around 1930 in Detroit, Michigan. The national leader and founder is ELIJAH MOHAMMED, who claims to have been sent by Allah, the Supreme Being, to lead the Negroes out of slavery in the United States.

Members fanatically follow the alleged teachings of Allah as interpreted by MOHAMMED and disavow allegiance to the United States. Members pledge allegiance only to Allah and Islam, and believe any civil law which conflicts with Muslim Law should be disobeyed. The Cult teaches that members of the dark-skinned race cannot be considered citizens of the United States since they are in slavery in this country and, therefore, must free themselves by destroying non-Muslims and Christianity in the "War of Armageddon." For this purpose, the Cult has a military branch called Fruit of Islam, composed of all male able-bodied members who participate in military drill and judo training.

Members of the Cult also believe that they are directly related to all Asiatic races and any conflict involving any Asiatic nation and a Western nation is considered a part of the "War of Armageddon", in which the Asiatic nation will be victorious.
